Notes:

1. One credit is equivalent to 30 academic hours. The duration of one academic hour is 50 minutes.
 2. Elective courses within the major may be revised to reflect the requirements of employers and other stakeholders.
 3. Practical classes and laboratory sessions in specialised courses included in the curriculum shall be conducted at the higher education institution and, where appropriate, at partner organisations and enterprises serving as practical training bases. Within one semester, students may choose one elective course.
 4. Assessment of students' knowledge and academic performance shall be carried out in accordance with the regulations developed under the University's credit system.
 5. A dual qualification may be awarded provided that the student completes a full set of elective courses corresponding to one additional qualification, amounting to 20 ECTS credits within this block.
- The courses selected for the dual qualification shall be taught in a coherent and sequential manner during Semesters 4, 5, 6 and 7.
